COLLEGE OF APPLIED SCIENCE (IHRD) MAVELIKARA

(Affiliated to University of Kerala & Est. by Government of Kerala)
Govt. BHSS Compound, Mavelikara P. O., Alappuzha - 690 101

About us

The College of Applied Sciences, Mavelikkara was established in 1994. The institution is affiliated to the University of Kerala and is managed by the Institute for Human Resources

Development, Thiruvananthapuram, a Government of Kerala undertaking popularly known as the IHRD in the Kerala higher education sector. The College is involved in quality manpower development and training in the thrust areas of IT, Electronics, Commerce, and emerging disciplines.

Effective Career Guidance And Placement Cell

The Career Guidance and Placement Cell conducts periodical trainings to equip the students to meet the challenges of the industry requirements. Students are groomed and presented for various recruitment drives by reputed companies helping them fetch attractive career opportunities

Our Highlights

Rich Tradition Of Over Two And A Half Decades

The college has an enviable track record of distinguished performance for over 27 years. All through these years the college has to its credit an excellent academic output and has helped its students to chart successful careers. The university ranks, laurels in university youth festivals and commendable placement records vouch for the claim

Avenues For Nurturing Skills And Talents

The college provides ample opportunities for the students to enhance their skills and talents. The institution offers a bouquet of add-on courses for the students to choose from. These courses make them job ready by the time they finish their study in college. There are avenues for the students to express themselves and grow through various club and other extra curricular activities. There is an Innovation and Entrepreneurship Center (IEDC) to promote the entrepreneurial and innovation skills of aspiring students. The college has the following active clubs: Science Club, Literary Club, Nature Club, Women's Club, Red Ribbon Club, Anti Narcotics Club. The college NSS has made its own mark in the state by winning state awards for its performance

Good Academic Ambience

The college operates in two serene campuses in the heart of Mavelikkara town and is well connected by rail and road transport.

Main Campus : Situated in Govt. BHSS Compound, Mavelikara. The Dept. of Computer Science and Electronics are functioning at the main campus.

Thazhakkara Campus : Situated near Govt Hospital, Thazhakkara, Mavelikara. The Dept. of Commerce and Management is functioning at the Thazhakkara campus.

The college lays special emphasis in maintaining a healthy academic environment. We nurture personalised attention for the students and regular interaction with parents for the students' individual growth and their learning potential

Robust Alumni Network

The college has to its advantage treasured connections with its alumni spread over all parts of the world in different top notch companies and institutions. This network helps the students to make informed decisions for themselves regarding their career choices and enable them to fetch suitable career openings
