Institute of Human Resources Development (IHRD) is an autonomous educational institution established by the Government of Kerala in 1987. IHRD aims at both scientific & technological advancement and economic growth of the country through human resource development. It endeavours to bring the welfare of the nation through the principle "Think globally and act locally".

Sri. P.J. Joseph, the Honourable Minister of Education inaugurated the functioning of this college in December 2000. This is the leading college of Idukki District with three graduate courses and two postgraduate courses. All departments have distinguished faculty, excellent laboratory and computational facility. The college is committed to producing talented, tolerant and disciplined youth for the imaging new India of 21st century. Thus the goal of this college is to enhance its reputation by imparting knowledge in all walks of life to the students and make them creative in their endeavour to life.

With warm regards,

Principal
Sindhu S.

Recognitions

From the very beginning, the college has an excellent track record of winning academic achievements in University examination. The following students added another feather to the crown.

Name	Course	Rank	Batch
MANU JOSE	M.Sc. Electronics	1	2003-05
DHANYA MATHEW	M.Sc. Electronics	1	2004-06
VIDHYA BALAKRISHNAN	M.Sc. Eletronics	2	2004-06
LATHEEFAC.P	M.Sc. Computer Science	2	2006-08
ALBIN K. MATHEW	M.Sc. Electronics	1	2007-09
ANUMOL ELHOSE	B.Sc. Electronics	2	2008-11
ASHALEKSHMI R	B.Sc. Computer Science	3	2008-11
ANUMOL ELDHOSE	M.Sc. Electronics	1	2011-13
ISHA SONAL C JOSE	B.Com	A+	2016-19
ANUMOL SAJAYAN	B.Com	A+	2016-19

Library

The college has a well established library with a very good collection of books, periodicals and journals. The collection is updated every year by adding new books in the field of electronics, computer science and commerce. The open access catalogue system provides reading and reference facilities for both faculties and students. CAS library is automated with KOHA. KOHA is an open source integrated library system used worldwide.

Placement Cell

Placement cell of this college is organizing career awareness programmes to graduate and postgraduate students. One of the main responsibilities of the placement cell is to motivate, train and prepare the students for campus interviews. We are conducting three day workshop every year on the topics like importance of attitude building, knowing where you stand, vision, personal accountability, team work, time management, way to success, importance of communication, objective of communication & audience analysis, listening skills, interview handling skills, resume building, public addressing etc. Graduate students are also assisted with training sessions of numerical ability, logical reasoning and English language. Placement drives are also conducted at the college and many of the students are placed at well - known companies like Wipro, Infosys, Cognizant, UST Global etc.
